REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The limitations of claim 1 which require supplying an output from the one generating coil to the solenoid valve in the turned-off positions of the engine control switch, is not suggested by the prior art.

The limitations of claim 5, which requires the engine control switch supplying an output from one of the generating coils to the solenoid valve in the turned-off position of the engine control switch, is not suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jason Benton whose telephone number is (571) 272-4838. The examiner can normally be reached on flex.
